BOOKING DETAILS

Pricing and payments

Prices in this pack are valid for events taking place 1 April 2026 – 31 March 2027.
All prices are subject to VAT. Payment terms are 30 days.
University clients should provide a PO number in advance of the event date.

How to book

Please email food@crucialcuisine.co.uk with details of your requirements; we will respond with availability and then work through the details with you. Alternatively, please do call us to discuss the details of your booking 01954231749. Once we have agreed on the details of your booking with you, we can then provide you with a formal quote. To confirm your booking, please do this in writing via email. For hot food, please order 2 weeks in advance.

Last minute bookings

For last-minute bookings (less than 48 hours' notice) and bookings placed on a Friday for Monday delivery: Please email all details to us and also call us to discuss your requirements. We will do our best to accommodate last-minute bookings.

Adjustments to orders and cancellations

Should you need to make any small adjustments to your order, please note that the final deadline is 48 hours before your booking, and we will do our best to accommodate. After this time, any changes, additions and cancellations will be charged for in full.

Dietary requirements

For Poke/salad bowls, canapés, grazing boards & savouries, additional items and brown bag lunches – please select dishes that are appropriate for your guests' dietary needs. Do get in touch if you have any queries.

For all other menus, please advise how many vegan guests you would like us to cater for and whether any guests have allergies or specific dietary requirements (e.g. nut allergy, gluten-free, etc.). Our chefs will prepare and plate these guests' food separately as needed.

We can accommodate specific dietary requirements and faith-based diets, with the exception of kosher food.

Food safety

In line with the Food Standards Agency food safety guidelines, the following time frames should be adhered to by our clients:

- Cold food should be consumed within 4 hours of delivery.
- Hot food should be consumed within 2 hours of delivery.

All food is wrapped in cling film/foil, and appropriate serving utensils are provided.

All food is clearly labelled with declarable allergens and menu descriptions.

Due to the nature of some self-serve delivered food events, there is a high probability that guests themselves introduce allergenic cross-contamination (eg using the same tongs to handle more than one type of food). As a result, the allergenic information provided may only be accurate at the time of delivery, and Crucial Cuisine can take no responsibility for any allergenic cross-contamination that may occur after our staff have left.

Once food has been delivered, it is the client's responsibility to ensure the safety of the food.

BOOKING DETAILS

Drinks receptions

Cold drinks for drinks receptions will be chilled down prior to delivery and then transported in insulated cool boxes.

If drinks have been arranged 'on consumption', the client will not be charged for drinks that are returned post-event, so long as the drinks are unopened and the labels intact. Please note, juices are not available on a consumption basis. For drinks receptions on a consumption basis, there is a standard handling/restocking charge of £30+vat.

We can provide glass hire, see the additional items section for costs. Breakages will be charged for. The cool boxes, glasses & remaining drinks will be collected the next working day after your event, between 8:30 and 17:00, or when we are next delivering to your premises. Should you wish for the items to be collected on the same day or at a specific time/date, please enquire about availability.

Delivery and collection charges apply for drinks receptions. If you wish to return empty bottles/cans for us to recycle, there is a minimum charge of £10 +vat.

Canapé deliveries

Canapés are presented on porcelain / stainless steel / wood buffet ware. All food has labels detailing allergens and menu descriptions. Cocktail napkins will be provided.

Our canapés are delivered in heavy-duty stacking trays. Canapé items will be collected the next working day after your event, between 8:30 and 17:00, or when we are next delivering to your premises. Should you wish for the items to be collected on the same day, please enquire about availability (collection charges will apply).

Hot food deliveries

Electric bain-maries will be provided to hot-hold food. Hot-hold food should be held no longer than 2 hours.

The bain-marie needs to be plugged into a standard household (13amp) socket. The socket should be located within 1.5 metres of the bain-marie's position. The client is responsible for ensuring the bain-maries are placed in a safe location: on a sturdy table, a safe distance from guests, and cables do not create a trip hazard. Bain-maries & cables are PAT tested (portable appliance tested).

Bain-maries hot-hold food using hot water, and the surfaces of the bain-marie are hot; therefore, the bain-marie should be used with caution. Bain-maries should be switched off as soon as food service is complete (within 2 hours of delivery) and allowed to cool completely before being moved.

If Crucial Cuisine staff have been requested for the event, they will manage the safe use of the hot-hold equipment. If Crucial Cuisine staff have not been requested for the event, the Crucial Cuisine delivery staff will set up the bain-marie and explain to the client guidance for safe use. The client then has responsibility for safe use of the bain-maries.

Staffing

If you would like front-of-house staff to help set-up your catering, serve guests and pack down, please do enquire with us for availability. Front-of-house staff can be booked for a minimum of 3 hours. Please note that travel time will be included in front-of-house staff costs.

Staff on site Monday – Friday	£25.00 per hour (Minimum of 3 hours charged)
Staff on site Saturday & Sunday	£32.00 per hour (Minimum of 3 hours charged)

SUSTAINABILITY

“Sustainability is never achieved; it is an ongoing endeavour to research, promote and improve”

Here is how we are trying to reduce our carbon footprint and promote more sustainable practices within our business:

Compostable disposables – We use palm leaf plates made from fallen palm leaves. Not only are they strong & sturdy, but they look good too! Coffee & water cups are cardboard, cutlery is wooden, and napkins are paper.

LED Lights – all 258 Lightbulbs and fittings at our offices, kitchens and warehouses have been replaced with LED in our continued effort to minimise power consumption and lower our carbon footprint.

Off-grid refrigeration - 68 solar panels on our kitchen roof provide all of our annual power consumption for our fridges, freezers and office electricals and it keeps our water piping hot.

Food waste – all our vegetable peelings are collected and composted.

Keep it local – by using local suppliers and produce, we keep our food miles to a minimum. Especially good locally grown strawberries in the summer months. Although to date, we've yet to come across East Anglian coffee or bananas! But you can be assured that many of the products we use from afar carry the Fairtrade stamp.

Peddle power, not petrol power – apart from our delivery vehicles, you won't find many of our staff asking for parking spaces, just somewhere to lock their bike. For those who live a little further afield, we share vehicles when on-site at events.

Repair, not replace – we've invested in some of the most reliable, energy-efficient pieces of equipment on the market and have ongoing maintenance programmes to keep them in tip-top condition. When new equipment is sourced, we look at some of the most energy-efficient options available

We are delighted that the University of Cambridge has renewed our status as an [approved supplier](#) for 2024 – 2027
